2+2 TRAINING

2-DAY COACHING SKILLS TRAINING

Enhance your coaching as you master the four skills of coaching.

Those who attend the 2-Day training will gain:

- Understanding of The IDEA Coaching Pathway and how to use it to facilitating breakthrough for those you coach
- Enhanced listening skills and understanding of how to clarify outcomes for the coaching conversation
- Increased abilities in developing open questions
- New skills in pinpointing the core issue
- Strategies to better integrate coaching & mentoring
- Introductory tools and starting points for building a coaching culture
- Three applications to effectively deliver coaching in your context

“The Leader Breakthru resources and coach training are fantastic. They are relevant for leaders at all levels who want to expand and deepen their Kingdom impact.”

—KIM ZOVAK, PCC Coach, Trainer & Consultant

2-DAY COACH CERTIFICATION

Become certified as a personal development, life coach.

As a continuation of the 2-Day Coaching Skills Training, this additional 2-Day Certification equips participants to:

- Understand personal development and how to recognize God’s shaping work in a leader
- Coach individuals as they navigate times of transition
- Help leaders gain greater clarity and focus in their life direction and unique contribution
- Access and effectively utilize TRAC™ Coaching Modules in their coaching

Certification includes four post training tele-classes and supervised coaching of four leaders.

“Leader Breakthru’s brand of coaching is becoming an invaluable resource for our churches as they make disciples. Focusing on the development of the leader, not just the skills of leadership, has had a tremendous impact on Mission Ohio.”

—STEVE HOPKINS, State Convention of Baptists in Ohio
